

# Handwriting Template

## Directions

Print and fill out this page and the following template, using a ball point or felt tip pen.

*Please do not trace the letters on the template -*  
they are just a guide to help keep your sizing consistent and to ensure enough space between each letter for the font creation process.

Scan or photograph both pages (trying to make the image as straight as possible with minimal shadows) then email to [kmaynard@thenextinvestment.com](mailto:kmaynard@thenextinvestment.com).

## Free Writing Section

Please copy the following sentence below, writing as you would normally. This will give us a guide for the character and word spacing of your handwritten font.

**The quick brown fox jumps over the lazy dog.**
